Re: In the Matter of CenturyLink QC's Request of the South Dakota Public  
Utilities Commission for 2014 ETC Certification Pursuant to § 20:10:32:52

Dear Ms. Van Gerpen:

Enclosed for filing are the following regarding the above-referenced matter:

1. CenturyLink QC's 2014 Annual ETC Certification Filing; and
2. Request for Confidential Treatment of Information.

Unfortunately, due to a mix-up, we have not been able to finalize documentation of CenturyLink's Two Year Plan which should be attached as Confidential Exhibits B, C and D to this filing. We respectfully request that the Commission grant CenturyLink leave to supplement this filing with final versions of those documents as soon as they can be completed.

If you need any further information about this filing or have any questions, please contact me.

Very truly yours,
