RE: TC15-019 - Interstate Telecommunications Cooperative, Inc. f/k/a SSTELECOM ("ITC CLEC"), Revised Terminating Intrastate Switched Access Rate

Dear Ms. Van Gerpen,

Attached for electronic filing, on behalf of ITC CLEC, are revised tariff pages to ITC CLEC's Intrastate Switched Access Services Tariff No. 1 in order to implement the Federal Communications Commission's (FCC), November 18, 2011, Intercarrier Compensation Reform Order (FCC 11-161).

In accordance with FCC rules found in 47 CFR §51.911, this filing revises the terminating intrastate switched access End Office Local Switching rate. ITC CLEC intrastate terminating switched access rates will be at parity with ITC CLEC's interstate switched access rates.

ITC CLEC respectfully requests that the proposed changes become effective July 1, 2015.

The original filing in TC15-019 dated June 24, 2015 of Fourth Revised Page 17-5 had an incorrect FCC tariff reference and this page replaces the page in that filing.

Please feel free to contact me at (605) 995-1756 or via email at wendy.harper@vantagepnt.com, if you have any questions.

Sincerely,
