

Docket Number: TC15-062

Subject Matter: First Data Request

Request to: NextGen Communications, Inc.

Request from: South Dakota Public Utilities Commission Staff

Date of Request: September 23, 2015

Responses Due: September 30, 2015

- 1-14. On page 7, point 16 of the application, Texas and Minnesota are listed as states in which NextGen Communications, Inc. is registered or certified to provide telecommunications services. Upon staff review, this does not appear to be the case. Please explain the discrepancy.

Answer: NextGen has no explanation for Minnesota and Texas and is investigating the matter.
