Date of Request: 6/2/16
Responses Due: 6/16/16

- 1.1. Explain why the Federal High-Cost Support reported differs from totals reported by the Universal Service Administration Company.
- 1.2. How many customers does Northeast Nebraska Telephone Company have in South Dakota and how many of those are subscribed to voice services, broadband internet, or both?
- 1.3. What types of speeds are available for Northeast Nebraska's South customers and what type of technologies are used in achieving those speeds?
- 1.4. If the waivers are granted would Northeast Nebraska be willing to submit verifications from the Nebraska Public Service Commission as soon as a decision is made on certification of Northeast Nebraska in the state?
- 1.5. In an order dated May 25th, 2016, in docket AA16-002 the Commission clarified eligible telecommunication carrier certification requirements to require "that carriers shall include their most recent FCC 477 submission data in electronic spreadsheet format, where applicable, when carriers file their annual requests for ETC certification". Please provide Northeast Nebraska Telephone Company's most recent FCC Form 477.
