On August 26, 1996, the Public Utilities Commission (Commission) received an application from MidAmerican Energy Company (MidAmerican) requesting approval of changes in its customer "Notice of Pending Disconnection" letter form for both the Gas and Electric Tariff Section. The application stated: "This sheet is being revised in response to Staff's request to prominently display MidAmerican's toll free number and to include the language, "This notice does not extend or void any prior disconnect notices." MidAmerican filed the following Electric tariff sheet in its filing:

Section No. 6, 1st Revised Sheet No. 4

MidAmerican filed the following Gas Sales tariff sheet in its filing:

Section No. VI, 1st Revised Sheet No. 5

A regularly scheduled September 17, 1996, meeting the Commission discussed final approval of the application. Commission Staff recommended approval of the tariff revisions.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49- 34A. The Commission found the tariff changes are just and reasonable and approved the revised tariffs. As the Commission's final decision in this matter, it is therefore

**ORDERED** that MidAmerican's aforementioned tariffs are approved and shall be effective for billing purposes on and after the date of this Order.
