On March 26, 2004, the Public Utilities Commission (Commission) received a petition from MCImetro Access Transmission Services, LLC d/b/a MCI (MCImetro) for approval of its intrastate switched access tariff no. 2.

On April 1, 2004, the Commission electronically transmitted notice of the filing and the intervention deadline of April 16, 2004, to interested individuals and entities. No comments or petitions to intervene were filed.

On May 24, 2004, the Commission considered MCImetro's request for approval of its intrastate switched access tariff no. 2. The Commission has jurisdiction over this matter pursuant to SDCL 49-31-18 and 49-31-19. Commission Staff recommended that the Commission not approve the tariff as MCImetro had failed to respond to Commission Staff's requests for information. The Commission voted to disapprove MCImetro's intrastate switched access tariff no. 2 and to close the docket. It is therefore

ORDERED, that MCImetro's intrastate switched access tariff no. 2 is disapproved and this docket is closed.

Dated at Pierre, South Dakota, this 2nd day of June, 2004.
