

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE APPLICATION OF)	ORDER GRANTING
BELLSOUTH LONG DISTANCE, INC. FOR A)	CERTIFICATE OF
CERTIFICATE OF AUTHORITY TO PROVIDE)	AUTHORITY
LOCAL EXCHANGE SERVICES IN SOUTH)	
DAKOTA)	TC05-108

On July 20, 2005, the Public Utilities Commission (Commission) received an application for a certificate of authority from BellSouth Long Distance, Inc. (BellSouth). A proposed tariff was filed by BellSouth.

On July 21, 2005, the Commission electronically transmitted notice of the filing and the intervention deadline of August 5, 2005, to interested individuals and entities. No petitions to intervene or comments were filed and at its regularly scheduled December 20, 2005, meeting, the Commission considered BellSouth's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to rural safeguards, and subject to the condition that BellSouth not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. Commission Staff further recommended a waiver of ARSD 20:10:32:03(11) and (14).

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-69 and ARSD 20:10:32:03. The Commission finds that BellSouth has met the legal requirements established for the granting of a certificate of authority. BellSouth has, in accordance with SDCL 49-31-71, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. Further, the Commission finds that there is good cause to waive subparagraphs (11) and (14) of ARSD 20:10:32:03.

The Commission approves BellSouth's application for a certificate of authority, subject to rural safeguards, and subject to the condition that BellSouth not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. The certificate of authority for BellSouth shall authorize it to offer local exchange services in South Dakota, except in those areas served by a rural telephone company. In the future, should BellSouth choose to provide local exchange services statewide, with respect to rural telephone companies, BellSouth will have to come before the Commission in another proceeding before being able to provide local service in that rural service area pursuant to 47 U.S.C. § 253(f) which allows the Commission to require a company that seeks to provide service in a rural service area to meet the requirements in 47 U.S.C. § 214(e)(1) for designation as an eligible telecommunications carrier. In addition, the granting of statewide certification will not affect the exemptions, suspensions, and modifications for rural telephone companies found in 47 U.S.C. § 251(f). It is therefore

ORDERED, that BellSouth's application for a certificate of authority to provide local exchange services is granted, subject to the condition that BellSouth not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission; and it is

FURTHER ORDERED, that BellSouth shall file informational copies of tariff changes with the Commission as the changes occur; and it is

FURTHER ORDERED, that the Commission shall authorize BellSouth to offer its local exchange services in South Dakota, except in those areas served by a rural telephone company; and it is

FURTHER ORDERED, that the Commission waives subparagraphs (11) and (14) of ARSD 20:10:32:03.

Dated at Pierre, South Dakota, this 28th day of December, 2005.
