TC10-029

On May 14, 2010, the Commission received a filing for approval of a wireline interconnection agreement between MCC Telephony of the Midwest, LLC (MCC Telephony) and Brookings Municipal Utilities, d/b/a Swiftel Communications (Swiftel) for the state of South Dakota. The Commission did not receive any comments on this matter.

At its June 15, 2010, meeting, the Commission considered whether to approve the agreement between MCC Telephony and Swiftel. Commission Staff recommended its approval.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-31, and the Federal Telecommunications Act of 1996. In accordance with 47 U.S.C § 252(e)(2), the Commission found that the agreement does not discriminate against a telecommunications carrier that is not a party to the agreement and the agreement is consistent with the public interest, convenience, and necessity. The Commission unanimously voted to approve the agreement. It is therefore

ORDERED, that the Commission approves the wireline interconnection agreement between MCC Telephony and Swiftel.

Dated at Pierre, South Dakota, this 24th day of June, 2010.
