**ORDER APPROVING
AGREEMENT

TC10-032**

On May 19, 2010, the Commission received a filing for approval of an opt-in wireline interconnection agreement between Qwest Corporation (Qwest) and Triarch Marketing, Inc. dba Triarch Communications (Triarch) for the state of South Dakota. The Commission did not receive any comments on this matter

At its June 15, 2010, meeting, the Commission considered whether to approve the agreement between Qwest and Triarch. Commission Staff recommended its approval.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-31, and the Federal Telecommunications Act of 1996. In accordance with 47 U.S.C § 252(e)(2), the Commission found that the agreement does not discriminate against a telecommunications carrier that is not a party to the agreement and the agreement is consistent with the public interest, convenience, and necessity. The Commission unanimously voted to approve the agreement. It is therefore

ORDERED, that the Commission approves the opt-in wireline interconnection agreement between Qwest and Triarch.

Dated at Pierre, South Dakota, this 24th day of June, 2010.
