On March 28, 2014, the South Dakota Public Utilities Commission (Commission) received an application from Airus, Inc. (Airus) requesting approval of its Access Services Tariff No. 1. The revisions reflect that IntelPeer, Inc. has changed its name to Airus, Inc.

On April 3, 2014, the Commission electronically transmitted notice of the filing and the intervention deadline of April 18, 2014, to interested individuals and entities. No parties sought intervention. On May 1, 2014, Airus responded to staff's data request.

The Commission considered this matter at its regularly scheduled meeting of May 13, 2014. The Commission finds it has jurisdiction over this matter pursuant to SDCL Chapter 49-31. The Commission voted unanimously to approve the Access Services Tariff with an April 27, 2014, effective date. It is therefore

**ORDERED**, that the Airus's Access Services Tariff is approved effective as of April 27, 2014.
