Ms. Patricia Van Gerpen
Executive Director
Public Utilities Commission
State of South Dakota
Pierre, SD 57501

Dear Ms. Van Gerpen:

It was brought to our attention the bottom line of our MISO Day 2 Charges summary filed on February 22 did not reflect the correct bottom line for Total MISO. We found that our Minnesota MISO Day 2 Charges summary, which excludes Schedules 16 and 17, carried forward to the South Dakota summary.

Our Fuel Adjustment Clause calculation uses Net MISO Charges for Retail from the MISO Day 2 Charges summary, thus our Energy Cost Adjustment filed on February 22 was correct. Enclosed is a revised January 2007 Detail of MISO Day 2 Charges summary reflecting the correct Total MISO of \$5,121,321.25.

Otter Tail requests confidential treatment of columns (F) and (G) of the detail schedule pursuant to ARSD Part 20:10:01:41 due to the competitive nature of the data in those columns. Otter Tail is requesting confidential treatment for a period of at least 12 months and will request an extension in the future if necessary. Contact Pete Beithon, Manager of Regulatory Economics at: (218) 739-8607, 215 South Cascade Street, Fergus Falls, MN 56537 with any questions of concerns regarding the confidentiality request.

Sincerely,
